Subject: Recently Disciplined Practitioners, Reinstated Practitioners, and Updated List
Date: Tuesday, July 03, 2018 1:24:10 PM
Attachments: [Atty Discipline Chart Primary.docx](#)

Please see the attached document for a list of currently disciplined practitioners as of July 3, 2018. I would ask each Court Administrator to post this entire list in a conspicuous place in order to inform the public of the status of these practitioners. This list will be updated as orders are issued by the Board of Immigration Appeals or the Immigration Courts. Names of reinstated practitioners will be removed from the list after 6 months.

Recently Disciplined Practitioners:

Rolando Enrique Rodriguez – On June 29, 2018, the Board issued an order, immediately suspending Attorney Rodriguez from practice before the Immigration Courts, the Board, and DHS, based on his emergency suspension from the practice of law in Florida.

Shannon DeWayne Patterson – On June 29, 2018, the Board issued an order, immediately suspending Attorney Patterson from practice before the Immigration Courts, the Board, and DHS, based on his interim suspension from the practice of law in Georgia.

Richard Wells Moore, Sr. – On July 2, 2018, the Board issued an order, immediately suspending Attorney Moore from practice before the Immigration Courts, the Board, and DHS, based on his disbarment from the practice of law in Maryland.

Vana Renejuste – On July 2, 2018, the Board issued a issued final order, disbaring Attorney Renejuste from practice before the Immigration Courts, the Board, and DHS, effective May 24, 2018.

Confidential Discipline - Since the last update, the EOIR Disciplinary Counsel has issued confidential discipline to 1 practitioner for the following misconduct: appearing for a scheduled individual hearing unprepared to proceed.

EOIR's Attorney Discipline Program now has a dedicated e-mail address that EOIR employees may use to report misconduct by private immigration practitioners. The e-mail address is EOIR.Attorney.Discipline@usdoj.gov and appears in the global address list as: Attorney Discipline, EOIR.

Please note that pursuant to Chapter 10.9 of the Immigration Court Practice Manual and Chapter

11.10 of the Board of Immigration Appeals' Practice Manual, a disciplined practitioner is obligated to advise all clients whose cases are pending before the Immigration Court or the Board that he or she has been disciplined. The Immigration Court Practice Manual further states:

Once a practitioner has been expelled or suspended [by an order issued by the Board or an Adjudicating Official], the practitioner's pending cases are deemed unrepresented. The Immigration Court rejects filings that are submitted by a practitioner after he or she has been expelled or suspended [by an order issued by the Board or an Adjudicating Official].

The Board's Practice Manual has a similar provision. Therefore, a disciplined practitioner has no authority to make any requests, including motions for continuances, in any of his or her former clients' cases, and the Immigration Courts and the Board do not, and should not, deal with a disciplined practitioner concerning his or her former clients' cases.

Also please note that if a practitioner is suspended or expelled, he or she may resume representation of former clients only after the Board issues an order granting reinstatement. Furthermore, they are then required to enter a new Notice of Entry of Appearance form in each case, even if he or she was the attorney at the time that discipline was imposed. Immigration Court Practice Manual Ch. 10.10(d); Board's Practice Manual Ch. 11.10(b), 11.12(c); EOIR Rules of Professional Conduct, 8 C.F.R. § 1003.107(c).
